Clinical Rooms

Following the merger, many clinical staff at our Greenhill site have moved into different rooms. A map of the new Practice layout is overleaf, but essentially Doctor consulting rooms are on the left hand side of Reception and Practice Nurse and ANP consulting rooms are on the right hand side.

The map is also on our website.

Automated check-in kiosks are situated on the wall either side of the Reception desk as are the boxes in which to post repeat prescription requests.

On-line Services

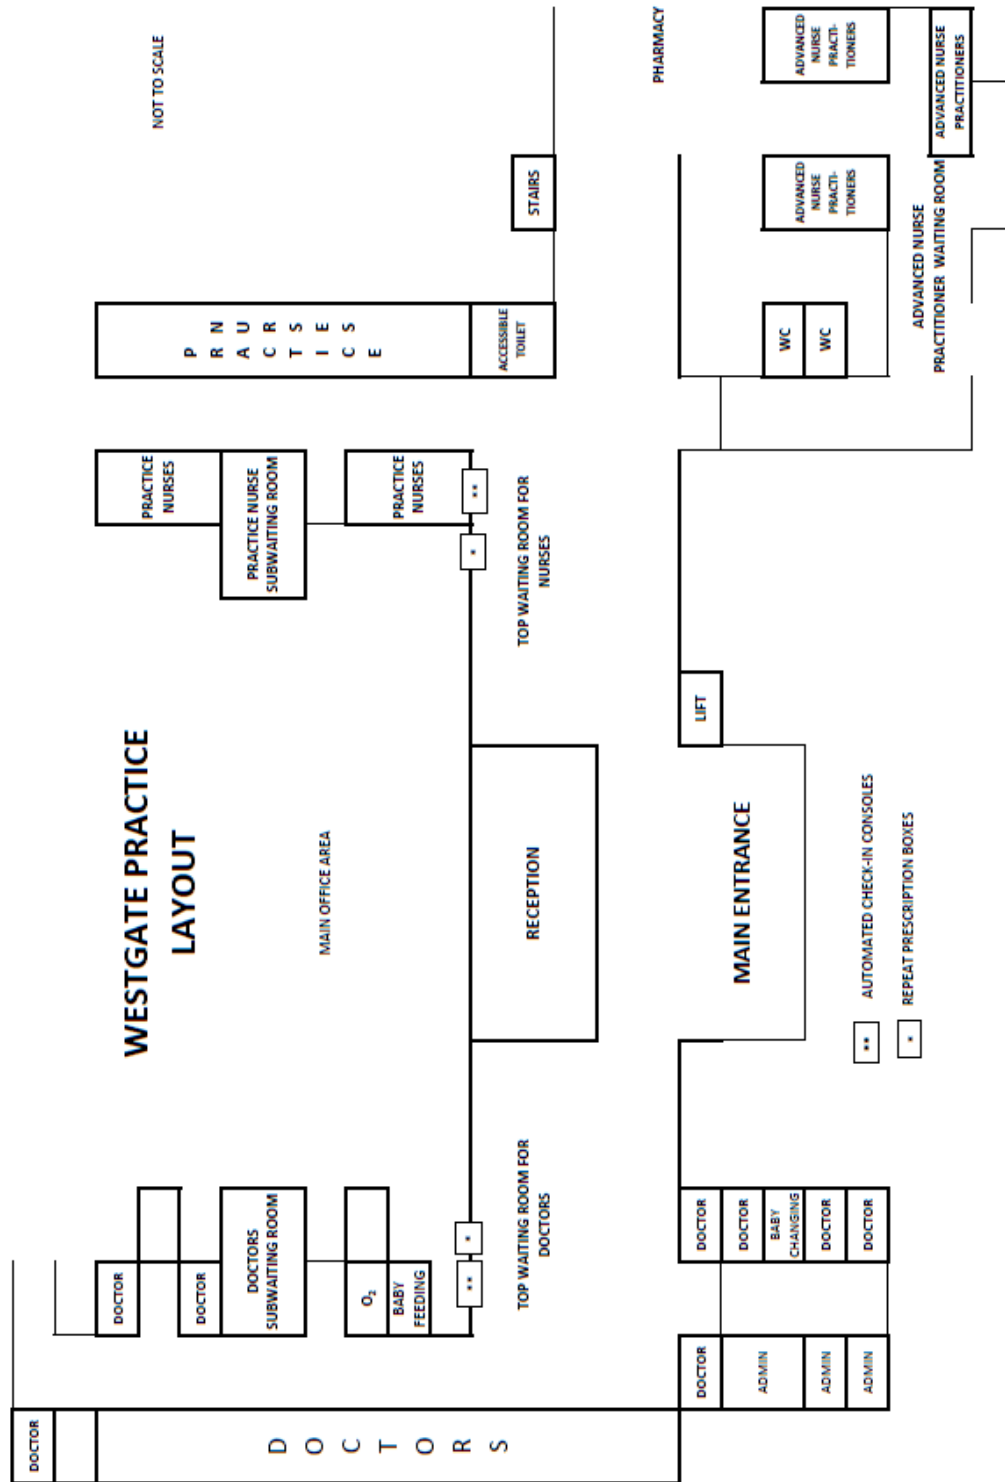

Please note: if you were registered as a Cloisters patient on or before the 30th November, your access to on-line booking of appointments and ordering of repeat prescriptions will unfortunately no longer work. We will be writing to you after the merger date with instructions on how to re-register for this service.

Telephone Number for appointments:

01543 416633
